SNEA Officers

New officers for SNEA were chosen Thursday, October 8, at a meeting held in the college auditorium. The new officers for the following are as follows: Don Petry, N.W.M.S.C., Chairman; Sharon Kay Thompson, Maryville, High, Vice Chairman; Floyd Hurst, Park Hill High, Secretary.

MSTA Officers

Lon Edwards was chosen president of the Northwest Missouri State Teacher's Association in the elections held here Thursday. Mr. Edwards is from North Kansas City.

Other officers elected were: Mrs. Virginia Bean, Cameron, first vice president; Ernest Stalling, Burlington Junction, second vice president; Kent Barber, Stanberry, third vice president; Everett Brown, Maryville, secretary and treasurer; Marvin Porter, Mound City, executive committee.

A SIGHT TO TURN THE HEAD... on campus is Martha Guest in her scottish kilt, the official attire of the Shorthorn Lassies of which she was chosen Missouri Queen, last August at the Missouri State Fair.

Miss Guest, a 19-year-old from King City, is a sophomore here at NWMSC majoring in vocational home economics.

Martha will go to Chicago in November to compete for Queen at the international meeting of Shorthorn Lassies. Approximately 30 other young ladies will be vieing for this honor. The winner will receive her choice of an expense paid trip to any one of the top fairs in the U. S. or Canada.

Miss Guest is a member of the Sigma Sigma Sigma sorority.

Campaigns for Queen Limited

The campaigns for Homecoming Queen will be limited this year. Each candidate will be restricted to one large sign, one portrait, and name cards to be passed out. The rest of the campaign will be verbal.

Unlike last year, there will be no loud-speakers, no banners, and no novelties. There will be no campaigning within 50 feet of the polls.

The campaign will begin Tuesday, and end with the voting beginning Thursday at 8 o'clock. The election will be held in the new section of the Bearcat Den. Each student's activities card will be punched after he votes. The polls will close at four.

Thursday from twelve to one the queens will parade in a group. The winner will be crowned Thursday night following the Variety Show. After the crowning, there will be a pep rally in the parking lot south of the tennis courts.

Musicians Meet At Armstrongs

A joint meeting of the music section of the Northwest Missouri Teachers' Association and the Northwest Missouri Music Educators' Association was held at Armstrong's Restaurant, on October 8.

An 11:30 a. m. luncheon preceded an address entitled "An Administrator Looks at the Music Program," by Mr. Raymond Houston, superintendent of schools, Chillicothe.

Mr. Frank Fendorf of the Music Advisory Board and Mr. Irvin Keller, Executive Secretary of the Missouri State High School Activities Association, presented an interpretation of the 1959 revisions of the Music Festival Regulations. Results of an administrative survey of the music festival and presentation of a petition to eliminate large groups from the state music festival were also discussed during this section of the meeting.

A panel discussion, "Vocal Technique as I See and Teach It," concluded the meeting. Members of the panel were: Mr. Gilbert Whitney, Northwest Missouri State College; Dr. Arthur Humphreys, Tarkio College; and Mr. Howard Boughton, William Jewell College. Mr. Vance Riffie, Plattsburg, served as moderator of the panel.

The annual business meeting was conducted by Mr. William Mus Section of the NWMTA. G. Mac, Chairman of the Music Section of the NWMTA.

Trophy to Be Presented to Best Band

A traveling trophy will be presented to the best band, regardless of class, in Missouri and Iowa, by the Maryville Jaycees. It will be retired by any marching band that wins it three times.

Last year's winners were Gallatin, and Clarinda, Ia.

For the 1959 Homecoming Parade, 43 bands have entered. They are as follows: Missouri bands — Cameron, Savannah, Trenton, Grant City, Rock Port, Stanberry, Gallatin, Albany, King City, Mound City, Hamilton, Fairfax, North Nodaway R-VI (Hopkins), Platte City, Graham, Sheridan, Fillmore, Union Star, Skidmore, Maitland, Ridgeway, Westboro, Forest City, Mercer, South Nodaway, Stewartsville, Clearmont and Elmo (marching as one unit); West Nodaway RI (Burlington Jct. and Quitman marching as one unit) and the Morgot Myrick Music School Accordion Band, St. Joseph (not in competition).

Iowa Bands—Clarinda, Bedford, Mt. Ayr, Villisca, Glenwood, Griswold, Hamburg, Harlan, Farragut, Lorimor, College Springs, Prescott, and Riverton.

Queen to Be Announced at Variety Show

Highlighting the first presentation of the variety show, Thursday night, will be the crowning of the 1959 Homecoming Queen. The queen and her court will again be presented at Friday night's show.

Carolina DeBow, chairman of the variety show committee, announces that there will be given seven social organizations competing this year. The following organizations will present skits: Alpha Sigma Alpha sorority, Delta Zeta sorority, Sigma Sigma Sigma sorority, Phi Sigma Epsilon fraternity, Sigma Tau Gamma fraternity, Tau Kappa Epsilon fraternity and Phi Lambda Chi fraternity.

There will be a number of doon."

Bill Price has been chosen to act as master of ceremonies. Acting as production advisor will be Dan DeMott. acts presented between skits, as well as a preview of the coming attraction, "Briga-

Coed, But Never Been Kissed?

How many coeds on the campus? The number may be smaller than you think. According to tradition, no girl is considered a coed until she has been kissed on the wooden bridge before the snow flies.

For those innocents unacquainted with the bridge, it stands a little south of the classroom building, affording a romantic view of the lake.

It's true there has been a great deal of bad weather recently, girls, but don't give up all i.e. It may not snow till November.

"IF YOU THINK YOU'RE HAVING TROUBLE DODGING HIS FEET — WAIT 'TIL HE TAKES YOU HOME."

Speech, Drama Relocates In Old Girls' Gym

The speech and drama department is now located in the former girls' double gymnasium.

A little theater is being constructed on one side. Both theater-in-the-round and proscenium type staging will be possible. It will be equipped with dimmer controlled lights and stage rigging.

Behind the stage is a scene dock and costume storage room. There are two large dressing rooms adjacent to the stage. One dressing room is of double level, providing a sewing and property room on the upper level.

The other side has been remodelled three-fourths of the way back into a double level. The lower level is for scene storage and connects immediately with the little theater. On the upper level is a long hallway which joins a large forensic and play rehearsal room to a double classroom.

The double classroom has a large window between its two sections for speech correction and radio-television classes. At the back of this classroom section is a large room providing space for scene building, painting, and stagecraft equipment. The ceiling of the scene room will be trapped so that scenery may be taken directly up into the main auditorium. Off the scene room is a smaller room for power tools.

A ticket booth has been constructed in the foyer space on the first floor of the Administration Building. The speech office is just to the left of the foyer.

Considerably extended staging will be possible in the main auditorium also. Permanent side stages, joining the large stage, have been constructed. These side stages will be used in the November 19 and 20 production, "Brigadoon".

The two speakers of the auditorium organ will be placed in the wall behind the side stages. A portable orchestra rail below the large stage is another addition to the facilities of the main auditorium.

Poetry Requested For Anthology

If anyone on campus would like to have his or her poetry published, here is the opportunity to do so. The American College Poetry Society announces that its second annual anthology of outstanding college poetry is now being compiled for publication this winter.

Contributions must be the original work of the student, with the entrant's name, address, and school on each page. Poems, of any subject, must not exceed 48 lines, nor may any individual submit more than five poems.

Entries not accepted for publication will be returned if accompanied by a stamped, self-addressed envelope, but they cannot be otherwise acknowledged, nor can the Society compensate students for poetry which is published.

All entries must be postmarked not later than midnight, December 1, 1959, to be considered, and the decisions of the Society judges are final.

Address your entries to Mr. Alan C. Fox, American College Poetry Society, Box 24463, Los Angeles 24, California.

Life With the Bearcats

Rosemary Lawrence and Robert Garten, were married Saturday, October 3, in Kansas City. Rosemary is a former student of N.W.M.S.C. and a member of Alpha Sigma Alpha sorority. Bob is a student and a member of Phi Sigma Epsilon.

Darlene Vonderschmidt, alumna of Alpha Sigma Alpha, and graduate of N.W.M.S.C., and Francis McGinnes were married May 31, 1959. Mr. McGinnes is a junior in school.

MOHAMMAD JA FARIN

Mr. Ja Farin is a pre-medicine major from Iran with a minor in chemistry. He has had some college work in Kansas, and plans to attend medical school after his schooling here.

Seniors to See Action in Homecoming Tilt

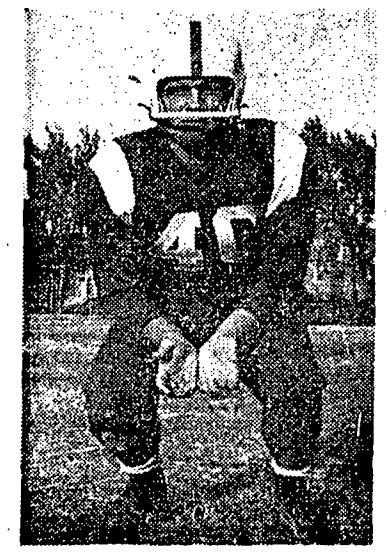

GRANT HILBURN
T, Ht. 6'2", Wt. 215, Sr.
Kansas City, Missouri

Having been a starting tackle for three years, Grant is expected to be one of the finest tackles in the MIAA conference this fall. Much is expected of Grant this year in the way of leadership toward a fine season for himself and his "Bearcat" teammates.

PHIL MAHER
G, Ht. 5'11", Wt. 210, Sr.
Red Oak, Iowa

Phil has lettered three years but has never been a starter. He is determined to try to earn a starting position this fall. He was hampered some last fall with minor injuries.

FRED FUHR
F, Ht. 5'10 1/2", Wt. 200, Sr.
East Detroit, Michigan

Fred has lettered three years for the "Bearcats". He is a strong, hard runner. He missed six games last year because of an injury. Fred should be one of the outstanding fullbacks in the MIAA conference this fall and starting fullback for the squad.

Springfield to Be Foe

The Bearcats play host to the Springfield Bears in this year's annual Homecoming game. The game with Southwest Missouri State College will begin at 2:00 p.m. Saturday at Memorial Stadium. Springfield was homecoming foe in 1956, defeating the Bearcats in a 10-7 heart-breaker.

Springfield has a 2-1 record for the season and are in fourth place in MIAA competition. Dale Cramer, a senior from Booneville, is listed fifth in leading rushers in the conference. His teammate Rod Kramer, quarterback from Greenfield, is third in leading passers.

The Bearcats, now second in the conference, will include in their starting line-up the fol-

lowing men: Ends — Mickey Nardin and Al Brooks; Tackles — George Weed and Grant Hilburn; Guards — Jim Clayton and Dorsey Templeton; Center — Doyle Thomas; Halfbacks — Al Kyle and Stewart Cline; Fullback — Fred Fuhr; Quarterback — Maurice Fulton.

Even though Grant Hilburn and Ken Sanders missed the game at Cape Girardeau because of injuries, they are expected to be back in starting positions for the Springfield game.

"We like to think of the game as the high point of the Homecoming events; we'll do our best to give a good performance," were Coach Paul Turner's pre-game comments.

MIAA Conference Action Going Well With 11-7-1 Record

The past three weeks of football action for the MIAA teams has been against non-conference opponents. On the whole the conference did very well, winning 11, losing 7, and tying 1.

The only undefeated team in the MIAA against non-conference foes were the Kirksville Bulldogs. In their opener the Bulldogs downed a tough St. Joseph College team, 18-16. In the next game they managed to edge past Washburn University, 6-0; and in their final non-conference game they downed St. Ambrose, 12-6.

The Springfield Bears are following a close second with 3 victories and 1 loss. Rolla after dropping its first game to a strong Lincoln University team, 30-14; bounced back and dropped Washington University, 27-15, and then Pittsburg State Teachers College, 20-7. This winning streak was good enough to earn them third place in the conference.

Warrensburg with a 2-2 non-conference record, and Maryville with a 1-1-1 non-conference record are tied for fourth place.

JACK TAYLOR
G, Ht. 5'9", Wt. 190, Sr.
Caruthersville, Mo.

Jack has been a regular for three years. He is very capable when he is playing his best. Jack must play at his best this fall to hold his starting position. It is hoped that he will be consistent with his fine ability and agility this fall and help the Bearcats to get started on a victory road.

Cape Girardeau is in last place following her 2 defeats and 1 victory.

The conference play should be quite interesting to watch, because Cape Girardeau, the last place team according to non-conference games, was picked to take the conference crown again this year.

Jewell Drops Bearcats 13-6

The Northwest Missouri State Bearcats lost their first game of the season to the William Jewell Cardinals, 13-6. The game was played at Liberty October 3.

The Bearcats took command of the first half score wise and statistic wise. With four minutes left in the second quarter, the Bearcats were able to push over the first TD of the game on a pass from Ken Sanders to Mickey Nardin. The 'Cats netted 63 yards rushing and 70 yards passing while limiting the Cardinals to 17 yards rushing and 44 yards passing.

During the second half the Cardinals' sweeps and reverses, which had been stopped the first half, went for yardage. Ralph Kincaid greatly aided the Cardinal attack with his fine running and passing. He was directly responsible for the two Cardinal tallies.

Though the final outcome of the game was a 13-6 loss for the Bearcats they still played exceptionally sharp ball, as the statistics indicate.

Indians Scalp Bearcats 43-12

Spirit didn't prove to be enough Saturday night at Cape Girardeau, as a game, but out-manned Northwest State Bearcat football team lost to the Indians, defending MIAA champs, 43-12, in a bruising league game, the first of the season for both teams.

The Bearcats, already minus Ken Sanders, quarterback, and Grant Hilburn, tackle, from their roster, came home with assorted bruised and badly battered players.

George Weed, lineman, went out early in the fifth play of the game with a knee injury; Del DuBois, quarterback, received a severely injured elbow and was pulled; Jim Clayton, guard, has a shoulder knocked down; Dorsey Templeton, another guard, received a badly bruised leg.

Ron Ives, end, was knocked out, and Stewart Cline, star halfback, re-injured a leg that has been troubling.

The Indians scored three times the first four times they got their hands on the ball, going out at halftime in front, 30-6.

Maryville scored its first TD in the second quarter after a drive from their own 22 was climaxed by Fred Fuhr going off tackle from the Cape four.

The second Bearcat tally came in the fourth after Maryville again had moved from their own 22 to the Cape 10, where it was fumbled and recovered by Cape.

Cape ran two plays, fumbled and lost the ball when Maryville recovered on the Cape 12.

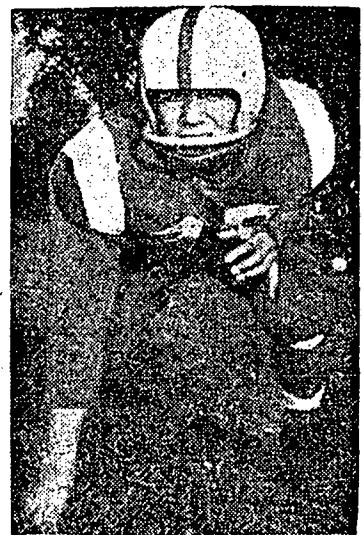

The Bearcats ran one line play and then Maurice Fulton, quarterback, swept the end for 12 yards and a tally. Jack Lasley missed the kick for the PAT.

Cline led the ball carrying, going four times for 23 yards; Al Kyle went twice for 9; Fuhr, 10 for 36; Fulton, 9 for 15; Billy Webb, 7 for 27; and Joe Smith, 8 for 19.

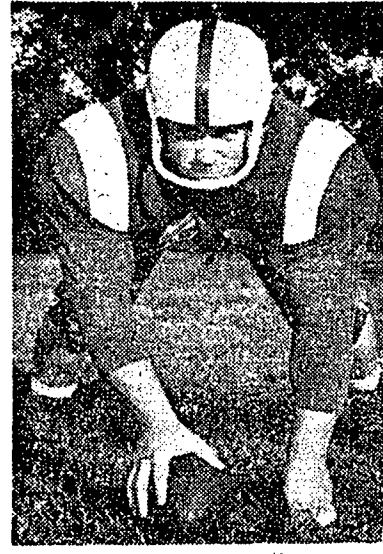

JOE MONACHINO
H, Ht. 6' Wt. 175, Sr., Elba, N.Y.

Joe lettered at fullback last year. He was shifted from half-back to help take up the loss of Fred Fuhr in the second game of the season. He is a fine lad, hard worker, and makes up for speed with determination. He'll be making a strong bid for a starting call.

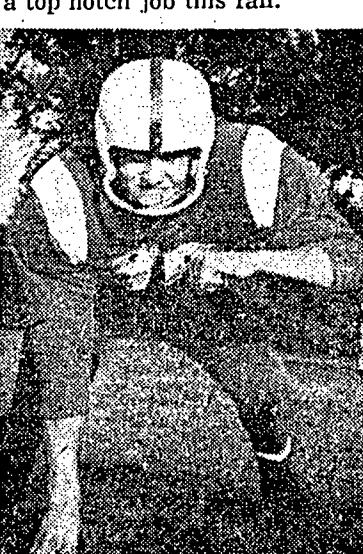

PETE CARRIZALES
H, Ht. 5'8", Wt. 170, Sr.
Mt. Clemens, Michigan

Pete has lettered three years for the Bearcats. He is fast, shifty, and tough. He was hampered with minor injuries last fall, but is expected to do a top notch job this fall.

DOYLE THOMAS
C, Ht. 6', Wt. 245, Sr.
Grant City, Missouri

"Tank" has lettered three years and was a starter last fall. He is big, fast for his size, and likes the game. He must become a keen competitor, arise to the occasion, and be the best in the M.I.A.A. to help get the victories the Bearcats are wanting.

HAROLD WILKINSON
E, Ht. 5'11" Wt. 180, Sr.
Mound City, Mo.

"Wil" has lettered two years; he is an exceptionally hard worker, aggressive blocker and tackler. He really gives everything he has and will be one of the leading candidates for a starting end.

The seven queen candidates are shown just before the preliminary judging. Left to right: Front row: Peggy Clingman; Mary Onken, Bobby Walker. Second row: Sherri Harper, Marilyn White. Back row: Gaye Laughery, Karen Miller.

Grube Addresses SCA Has Picnic MSC Teachers At Convention

"The New Structural English" was the title of Dr. Frank Grube's address to a large group of teachers attending teachers' convention at Northwest Missouri State College, October 8.

In his speech Dr. Grube emphasized three main points. Number one: the basic grammar aim is a universal language. Some of the difficulties in achieving this goal are straightening errors of tradition, and solving the needs of a world-wide operation.

His second and third points concerned phonology (phonetics) and morphology (the inflection and derivation of words).

Dr. Grube also discussed the grammar of structure, including the parts of speech (nouns, verbs, adjectives) and structure words (determiners, pronouns, auxiliaries, intensifiers, prepositions, and conjunctions.)

In conclusion Dr. Grube discussed complete sentences and showed the group seven sentence patterns.

WE NEED HELP

There is part-time work for any interested at the Union. Janitorial work is available in the mornings or afternoons for boys. Cafeteria help is needed at various times, but particularly between the hours of 11 a.m. to 1 p.m., every day. Also Saturday work may be had in the cafeteria. Those interested are urged to see Dean Bowes for further details.

SCA Has Picnic

Rain, rain, and more rain saturated the campus of Northwest Missouri State College last week, but it didn't dampen the plans of the Student Christian Association.

The SCA's held their annual fall get-acquainted picnic as scheduled on Thursday, October 1, in the Horace Mann cafeteria due to the inclement weather. Over 40 people were on hand to share in the refreshments and fellowship.

The annual fall picnic, which is usually held in the College Park, is just one of several functions staged by the organization each school year. During the Yuletide season, the members enjoy an evening of Christmas carolling plus a party, and every spring the group looks forward to a weekend outing at the Lake of the Ozarks.

The Student Christian Association meets at 6 p.m. on alternate Thursdays in the Union Chapel. Everyone is welcome to attend these meetings, and to become a part of the organization.

Lu Jane Taylor is president of SCA, Betty McCaig is vice-president, Ronnie King is secretary, and Roger Blackwell is treasurer.

Newman Club Elects

Officers of the Newman Club for the ensuing year are Barrie Parks, president; Paul Shea, vice-president; and Rose Schlie, secretary-treasurer.

Father Clarence Ryan is giving lectures on religion and philosophy each Thursday evening. Faculty sponsors of the organization are Miss Gorsuch and Dr. Elwin DeVore.

SNEA Pledges

A pledging ceremony will be held for all new members of the Student National Education Association October 14, at 7 p.m., in the Gold Room of the J. W. Jones Union Building. A film will also be shown at this meeting. Delegates will be selected to go to the state convention in St. Louis.

Anybody of junior standing or below who is interested in running for a state office is to present his qualifications in writing to Dr. Walker before October 23.

Drama Club Meets

The Drama Club held its first meeting Wednesday night, September 30. Members and students interested met at Mr. and Mrs. Bladt's house for supper.

Mr. R. A. Hessler, English and speech, is the new sponsor of the club. The meeting was attended by approximately twenty-six students and Dr. and Mrs. Fulson.

Members of the club are currently working on the building and assembling of props for "Brigadoon", and will be in charge of the box office, handle the publicity, and work in the stage crew for the production.

Discussion was held concerning the play to be given in the Christmas assembly and the plans for the club's activities during the year. Some of the plans include the reading of plays orally, demonstrations of the technique of theatre makeup, and discussions on what the theatre is and its part in culture.

Ketchum Reveals Clamp Down On Teen Drinking

With the opening of the 1959-60 school year it is important that every teen-ager should know it is now illegal for them to purchase or possess intoxicating liquor or beer.

A new law, effective August 29, makes the purchase or possession of liquor and beer by minors an offense punishable by a \$1,000 maximum fine, a year's jail sentence, or both fine and sentence.

Hollis M. Ketchum, state liquor control supervisor said the new law will be rigidly enforced by his agents as well as highway patrolmen, city police, and county sheriffs.

The state official is hopeful the new law will curtail drinking by persons under 21. "If the curtailment is not voluntary,

he said, "there will be arrests and fines."

It has always been an offense in Missouri to sell liquor and beer to persons under 21. However, once a minor had possession of intoxicants there was nothing which law officers could do.

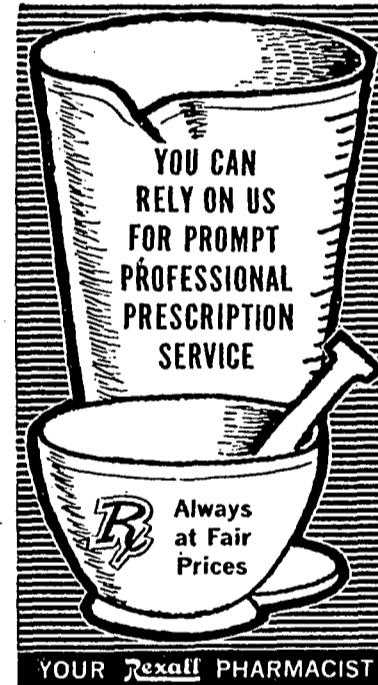

Much of the drinking by teenagers has been done in automobiles on the highways, Ketchum said. It is his hope the new statute will prevent or curb those under 21 from drinking while driving.

Ag. Dept. Changes

With the expansion of classroom facilities this year, several notable changes have taken place in the Agriculture Department.

The spacious new department office is now located on the main floor, west wing, of the Administration Building. Formerly housed in rooms 221 and 222 on the second floor, the future soil tillers now have access to rooms 121, 122, 124, 125, and hope to move into 126 in the near future.

Room 126 will become the Agricultural Museum, which will be an interesting attraction for students and visitors of Northwest Missouri State. The enlarged Agriculture Department includes a well-equipped laboratory for soil testing, berry and seed production, field crops, and animal husbandry.

There are roughly 100 majors and minors entered in the study of agriculture at the college. Most of these are men who plan to teach, become farmers, or go in to related industries.

Instructors in the Agriculture Department are Mr. R. T. Wright, chairman of the department, Mr. F. B. Houghton, who is Agriculture Club sponsor, and Mr. John Beeks, who joined the staff last year.

State College Administrative Changes Made

Reorganization of the Northwest State College administrative staff was announced today by Dr. J. W. Jones, College president, following approval by the board of regents.

The reorganization is the result of recommendations made concurrently by the MSC faculty, National Council Accreditation of Teacher Education and the North Central Association. It becomes effective immediately.

"Primary reason for the reorganization," Dr. Jones said, "is to enhance the student guidance and counseling program in view of the tremendous growth of enrollments at the College during the past several years."

He pointed out that the college enrollment has jumped more than 300 per cent in the past six years.

Under the reorganization, Dr. Jones and Dr. Charles Koerble, dean of faculty, will act as deans of instruction until next year when an appointment will be made.

Dr. Koerble has been named dean of students, with Harry Bowes appointed as assistant.

Robert Foster, registrar, has been named dean of administration, in which he will handle admissions, registration and administrative research.

Luther Belcher, jr., is listed as business manager.

Director of placement, extension - correspondence and alumni services is Everett W. Brown.

Mrs. L. G. Bladt is dean of women, and Lon E. Wilson is dean of men.

Director of residence facilities for women is Mrs. Elizabeth Luer, and Wilson is director of residence facilities for men.

Members of Faculty

Among the new faces on the faculty of N.W.M.S.C. this year is Mr. Milan Dady, teacher in the Education Department.

Mr. Dady comes to Maryville from Central City, Neb., where he served as elementary principal. He has taught in several public schools and has served as superintendent for three years.

He received his B. A. degree from Kearney State College, Kearney, Neb., which is his home town. Mr. Dady completed his Master's degree at the University of Nebraska, Lincoln, and has finished one year of residence work toward his Doctorate at Nebraska University.

Here at Northwest Missouri State, Mr. Dady is teaching three block courses in secondary education—Materials and Methods in the Secondary Schools, Adolescent Psychology, and Administration and Organization of Secondary Schools. He is serving as supervisor of student-teachers-off-campus.

Mr. Dady served with the Navy in the Pacific during World War II, as a radio technician.

Mr. Dady, who is unmarried, is a great sports enthusiast. He enjoys watching all sports, especially football. In his spare time, he likes to bowl and play golf.

USN Announces Exams for ROTC

VAdm. H. P. Smith, Chief of Naval Personnel, announced today that the 14th annual national competitive examinations for the Regular Naval Reserve Officers Training Corps will be given to eligible high school seniors and graduates on December 12. Application forms are available from your local Navy Recruiter. Applications must be submitted before November 14.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice which has an NROTC unit. All tuition, fees, and books are furnished by the Navy, and the student receives an annual retainer of \$600 for four years. During the summers the student goes on interesting training cruises as a midshipman. After completing the usual four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a prospective career officer with the Navy's far-flung fleets. For those who apply and qualify, immediate assignment to flight training will open new careers in naval aviation.

High school seniors and graduates who have reached the 17th anniversary of birth and have not reached the 21st anniversary of birth on July 1, 1960 may apply for the NROTC aptitude test. Those who make qualifying score will be given a rigid physical exam early in 1960. From the pool of qualified young men remaining in competition, approximately 1600 will be selected to begin their naval careers next September.

The NROTC college training

program is also open to enlisted men on active duty with the Navy and Marines. Separate quotas are established for applicants within these services.

Application forms are available at high schools, colleges, Navy recruiting stations, or from the Chief of Naval Personnel, Department of the Navy, Washington 25, D. C.

Foreign Service Exams Will Be Given Dec. 5

In response to thousands of inquiries received from all areas of the country concerning a career with the Foreign Service officer corps, the State Department is again announcing that the next written Foreign Service Officer examination will be held on December 5, 1959, in approximately 65 centers throughout the United States and at Foreign Service posts abroad.

In recruiting officers in the past, the Foreign Service has sought young men and women with board and general backgrounds. The need for such "generalist" officers has not lessened but, with the more varied types of positions now being filled by Foreign Service

officers, there is an increased need for persons with specialized training. The Foreign Service requires officers who will specialize in such fields as public and business administration, and economics, as well as in language and area studies, international labor affairs, and political science.

Within the next few weeks Foreign Service officers will visit a large number of colleges and universities throughout the continental United States and Alaska, Hawaii, and Puerto Rico to explain fully the opportunities in the Foreign Service which await qualified young men and women.

To be eligible to take this examination in December, candidates must be at least 21 and under 32 years of age as of October 19, 1959, the closing date for receipt of applications. Persons 20 years of age may apply only if they hold a bachelor's degree or are seniors in college. Applicants must be American citizens or at least 9 years' standing, and, although a candidate's spouse need not be a citizen on the date of the examination, citizenship must have been attained prior to the date of appointment.

Those successful in the one-day written examination, which tests the candidate's facility in English expression, general ability and background, and foreign language proficiency (French, German, Spanish, or Russian) will, within nine months, be given an oral examination by panels throughout the United States. Candidates recommended by oral examining panels will then be given a physical examination and a background investigation.

Mrs. Mabel Cook, head of the department, welcomes visitors into the attractive new lounge. The lounge, with its comfortable easy chairs, divan and new slip covers, offers an appropriate setting for the home economics staff to train young women to be good hostesses.

The home economics department added to their facilities two new classrooms, an office, and an enlargement of the sewing room.

Teachers who have held classes in rooms 305 and 306 should be amazed to view the attractively decorated interiors of these rooms, now divided by a folding door. Mrs. Virginia Bouska conducts family health and home problems classes in these rooms.

Miss Thelma Long holds classes on clothing in a room that has been doubled in size. This extra space was made available as the partisans, which divided the offices of the English department, were removed. Eight new sewing units and several large utility cabinets will be in use this year.

The new home economics office is in what was room 304. Except for several desks in this room, it continues the warm atmosphere of the whole department, with its carpeted floors, combination bookshelves, and curtained windows.

The large modern kitchen, where Miss Margaret Prince teaches cooking, continues the domestic atmosphere.

Space is available for a future home laundry, which will adjoin Miss Cook's classroom through the use of folding doors.

Enjoying these new facilities are 92 majors, 10 minors, and several girls who are taking elective hours in home economics.

MAKING A SELECTION . . . on the new stereo jukebox is Nossrat Shilatifa, well-known manager of the Bearcat Den. Nossrat, a senior from Iran, is majoring in agriculture and minoring in English. Nosey, as he is known to most students, is a sponsor of foreign students, a member of TKE fraternity, Writer's Club, and the Agriculture Club. A former boxer and lifeguard, Nosey plans to attend the University of Missouri after graduation and work toward a Ph. D.

Have Experience — Can Die

Years of experience under the steering wheel is no guarantee against having a traffic accident, according to records of the Missouri Highway Patrol.

In traffic mishaps investigated by the Patrol, in rural areas of the state and in towns with less than 10,000 population last year, 59 per cent of the drivers involved in traffic accidents, 17,093 of them, were in this group. There were 4,226 drivers with 6 to 10 years experience, in traffic accidents, and 5,569 others who had been driving one to 5 years.

The Superintendent of the Highway Patrol, Col. Hugh H. Waggoner, said today, "These figures indicate, that experience is often not the best teacher. Years of experience come to naught when they serve to dull a driver's senses to danger. When this happens he not only endangers his own life but the lives of his passengers and other motorists as well".

The Superintendent said that last year, in rural areas of Missouri, drivers with more than 11 years experience were involved in 400 fatal traffic accidents. Drivers with 6 to 10 years experience had 96 fatal crashes and those who had been driving one to 6 years were in 151 death dealing mishaps.

New Style Hair-Do Sweeping the Campus

"Boys, you can call her a kitten but never a cat"

The grace and movement of the Persian cat are translated into silken soft waves and swirls atop the head in the new Parisian hair styles.

But cats, like people, come in all types, so the follower of fashion can express her own personality—with the slightly feline touch, of course.

The "cat look" is being widely adopted in America, with variations keyed to the activities as well as the tastes of the College girl.

Barbara Lampson, Hollywood hair stylist who creates styles for the stars, described the setting for us.

The hair should be four inches long everywhere except just in front of the ears, where it should be cut to three inches. The setting is done with an assortment of Queen Size and Double Prong pin curl clips.

Part off a square top section about an inch behind the hairline. At the hairline, set a row of stand-up curls pointing forward. These form the bangs.

In the parted-off section, set stand-ups pointing back—about three to the row across the head—and secure with Queen Size clips. On the sides, the first row of curls in front of the ear should be flat and turned toward the face. The remainder should be stand-ups, turned away from the face, except

for the bottom row, which should be flat and turned toward the face.

This setting will give you a gay new "chattie" coiffure in the Parisian manner. The style is soft, fluffy, flattering, yet with a casual look which will carry it through all the activities of the college girl's busy daytime life.

With the after-five frock or ball gown, it acquires a more dignified look, but the merry mystery of the kitten is still there, giving a lift to the face, a twinkle to the eye—an invitation to partake of the gayety of the occasion in the manner of the kitten who retains a certain dignified reserve, even while it frolics.

Harr Ramrods Homecoming 12 Years

Dr. John L. Harr, chairman Division of Social Sciences, has been here at N.W.M.S.C. since May, 1944. Dr. Harr is originally from Sparta, Wisconsin. He received his B.S from Wisconsin State College at La Crosse, and his M. A. and Ph. D. from the University of Chicago. Dr. Harr has been chairman of the Homecoming Committee since it was established in 1947 and is faculty sponsor of Kappa Delta Pi and Sigma Tau Gamma.

During his years here he has noted the following changes in the college: the impact of graduate programs on faculty and students; the broadening of the curriculum and course offerings; the multifarious activities on the campus and the growing of the college calendar; the upgrading in the dress of college students; improvement in academic standards.

Dr. Harr said there has been no change in the general fear and distaste of students for "meaty courses".

The early part of the season will be spent improving swimming form, strength and endurance, and practicing starts and turns. Later the various intramural teams will meet in a series of swim meets concluding with a joint meet of all teams.

If enough interest is shown, a meet will be held in which candidates will swim independently to qualify for a swim team to compete with the various schools in the area. The goal of the group is to develop swimming into a varsity sport.

Marine Visits

Captain H. E. Cottrell, Marine Corps officer selection officer, will visit our campus on the 26th and 27th of October, 1959, for the purpose of interviewing students who are interested in obtaining commissions in the U. S. Marine Corps upon graduation.

The Marine Corps offers the platoon leaders class and platoon leaders class (aviation) for college underclassmen who have and are maintaining a "C" average.

Members attend two six-week summer training periods at Marine Corps Schools, Quantico, Virginia between academic years, have on-campus training and are commissioned upon graduation as either aviators or ground officers. Aviation officers have 4½ years and ground officers 3 years of active duty obligation after being commissioned. This program allows students to complete college, and gives the student who enrolls early in his college career the advantage of receiving more pay when commissioned.

Any student interested in discussing the Marine Corps Platoon Leaders Class with Captain Cottrell are urged to contact him when is on campus or write to: Marine Corps Officers Selection Office, Room 100, Old Custom House, 815 Olive Street, St. Louis 1, Missouri.

Homecoming Parade Lists 73 Sections

The colors the Northwest State College band and the queen's float will lead the 1959 Homecoming parade, which will begin at 10 a.m. Saturday. Iowa and Missouri bands, and floats, jalopies and clowns representing campus organizations will be included in the parade. Plans are made for 73 sections in the parade.

Maitland, Skidmore and Fillmore will be the first Missouri Class C bands in the line-up. They will be followed by the Phi Sigma Epsilon beauty float, South Nodaway band and Sheridan R II band. Then will come the Phi Sig humor float and the Osborn and Stewartsville bands.

The Phi Sig jalopy will precede Westboro and Mercer bands. The Association for Childhood Education beauty entry will be the next in the parade. Graham and Burlington Jct.-Quitman bands will follow.

Delta Zeta Float Is No. 15

Delta Zeta sorority's beauty float will be No. 15 in the parade. Then will come Ridgeway and Clearmont-Elmo bands and the Delta Zeta jalopy. The Union Star band and Margot Myrick Accordion Band will be next.

Between the Sigma Tau Gamma beauty float and humor float will come the Northeast Nodaway, Ravenwood, Forrest City and Crag bands. Riverton and Prescott will be the first of the Iowa Class C bands, followed by the Sigma Tau jalopy.

Missouri Class B bands, Mound City and Hamilton will be followed by the Phi Lambda Chi humor float, Platte City

and North Nodaway, Hopkins, bands. Then will come the Sigma Sigma Sigma beauty float and Grant City and Fairfax bands.

The Tri Sigma humor float will be followed by Tarkio and Gallatin bands and the sorority jalopy. Rock Port and Stanberry bands will be Nos. 40 and 41 in the line-up.

Wesley Foundation's beauty entry will be next in the parade, followed by Albany and Oregon bands. The Alpha Phi Omega beauty float will precede North Harrison, Eagleville, and King City bands.

Class B Iowa Bands

Following the Alpha Sigma Alpha beauty float will be the first of the Iowa Class B bands, Hamburg and Murray Community School. The humor entry will be followed by Farragut, College Springs and Lorimor bands. Missouri Class A bands Savinah and Trenton will be after the Alpha jalopy.

Entries 58, 59 and 60 will be the Agriculture Club humor float and Maryville Junior High and Cameron bands. Tau Kappa Epsilon beauty float will be followed by Iowa Class A bands. Villisca and Clarinda will precede the Teké humor float, and Glenwood and Harlan will follow. The jalopy entry will be followed by Griswold and Mt. Ayr bands.

The Industrial arts club beauty float and the Bedford band will be the last two entries in the parade.

Parade Follows 1958 Route

The homecoming parade will follow the same route as last year. It will begin at 10 a.m. in front of the college gymnasium and continue up Fourth Street to Buchanan. It will go south on Buchanan to Second Street to Main Street and north to Franklin Park.

Cerf Approves Mr. K's Visit To Record Crowd

Approximately 35 hundred people packed the new Health and Physical Education Building last Thursday night to hear Bennett Cerf, famous book publisher, commentator and television panelist.

President Jones introduced Mr. Cerf as the only man holding the title, "The Order of the Bearcats." This honor was bestowed upon him when he was here three years ago.

Mr. Cerf expressed his approval of Khruschev's visit, and stated that Russia is constantly changing; Russia is becoming more and more like America was fifty years ago.

He feels that everyone in America is seeking security; he went on to say that the United States was not made great by people who said, "I agree!"

People who learn to love books will never find another substitute said Mr. Cerf. Much can be derived from reading; this along with AMERICAN'S wonderful sense of humor should keep us happy.

Mr. Cerf concluded his talk

by giving views of the inside baked beans served as the supper. Mr. Lon E. Wilson, Dean of Men, was the guest speaker.

Miss Karen Miller sang "Stout Hearted Men" and "The World Outside." Two hilarious skits were presented by the actives; "Bill Tell" and "And the Lamp Went Out." Jerry Ulrich, master of ceremonies, read the dialogue.

Phi Sig Smoker

Phi Sigma Epsilon fraternity held its smoker October 7, 1959, with Don Kixmiller, presiding as master of ceremonies.

Approximately ninety persons were present at the smoker, held in the Phi Sig Chapter room, with refreshments and entertainment being offered to all. Sigma Sigma Sigma Sorority furnished the entertainment.

Bobbie Walker, candidate for homecoming queen was introduced. The executive council discussed some of the social events, finances, intramurals, pledging, and housing.

Phi Lambda Smoker

The Phi Lambda Chi smoker was held Thursday night at the Elks Club.

It was western style with chicken, potato salad, and chicken.

Random Shots

A sign taped on the door of the dressing room this week shows the fire and spirit the team has this year. It reads:

"To be champ of MIAA, we must arise to one occasion. Beat the 1958 champs of MIAA."

Revenge—1958 score, 33-7. Together we can do it. 60 minutes of sharp-tough-ball.

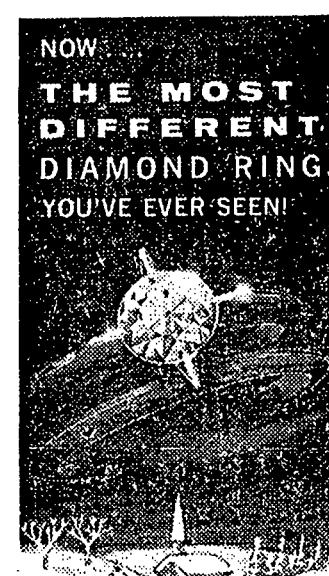

With spirit like this, the Bearcat griders are going to be mighty hard to topple and who knows, the Bearcats have as good a chance as ever of attaining their goal — MIAA Championship!!
